PLEASE SEND COMPLETED APPLICATIONS ONLY.

A COMPLETED APPLICATION MUST INCLUDE ALL OF THE FOLLOWING:

1. Sign the "reserve the right" document, make a copy for yourself and return the original with your application.
2. The completed Program/Application form with signature on last page.
3. The Medical History form completed and signed by your physician or primary care specialist and you.
4. A letter of personal reference from a friend, co-worker, teacher or anyone other than a family member.
5. A professional letter of reference from a therapist, social worker, teacher or other professional with whom you have contact.
6. A short autobiography and picture.

When we receive your completed application package that will complete the first step of the application process. The second step is an over the phone interview. The interview is crucial in helping us understand your need, personality, and lifestyle. The third phase is a home visit that shows us your environment, your support system and your interaction with a dog. The last step is the most difficult, it is our waiting list. Your wait may be several years. Choosing a recipient has many variables including your diagnosis and our sponsorship. We are continuing to grow and are working hard at placing exceptional service dogs.

Thank you for your understanding. Please do not hesitate to call me with any questions you may have.

Sincerely,

Judy Moore-Padgett
Recipient Services Coordinator
